2025-2026

SPONSORSHIP PACKAGE

OKANAGAN ROVER CRAFT

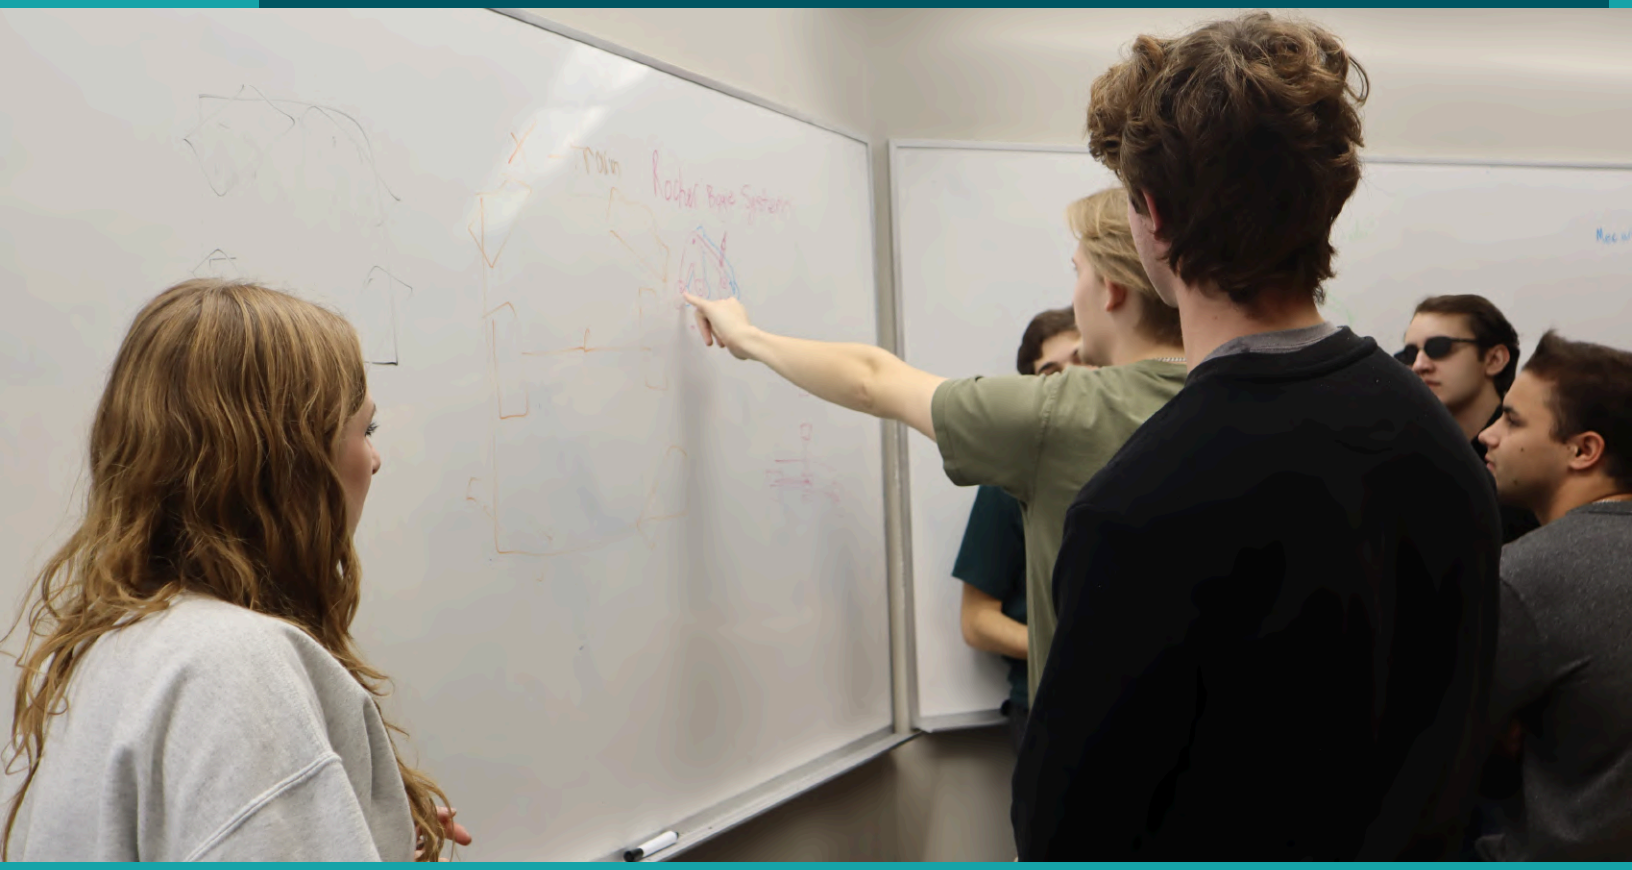
ABOUT US

We are **Okanagan Rover Craft**, an interdisciplinary team of students from the **University of British Columbia Okanagan Campus (UBCO)** competing in the **Canadian International Rover Challenge (CIRC),** hosted by the Canadian Space Technology Advancement Group (CSTAG).

Our mission is to inspire student interest in robotics and automation while teaching industry skills and work ethic. This will be carried out by designing, building, and testing a semi-autonomous, Mars-Style Rover capable of completing a wide range of tasks, including terrain traversal, robotic arm manipulation, and autonomous navigation.

Our team is made up of passionate students from various facilities including Engineering, Computer Science, Earth Sciences, Arts, and more. We are united by our competitive drive, innovative nature, and desire to make an everlasting impact.

WHAT IS THE CIRC?



The ***Canadian International Rover Challenge*** is a global robotics competition for university students. Held annually in Drumheller, Alberta, CIRC challenges teams to build the next generation of space exploration rovers.

Competing teams are evaluated in categories such as:

- Science Mission
- Equipment Servicing
- Autonomous Navigation
- Extreme Terrain Traversal

WHY SUPPORT US?

Sponsoring our team is an opportunity to:

01 ***SUPPORT*** STEM education and hands-on engineering experience

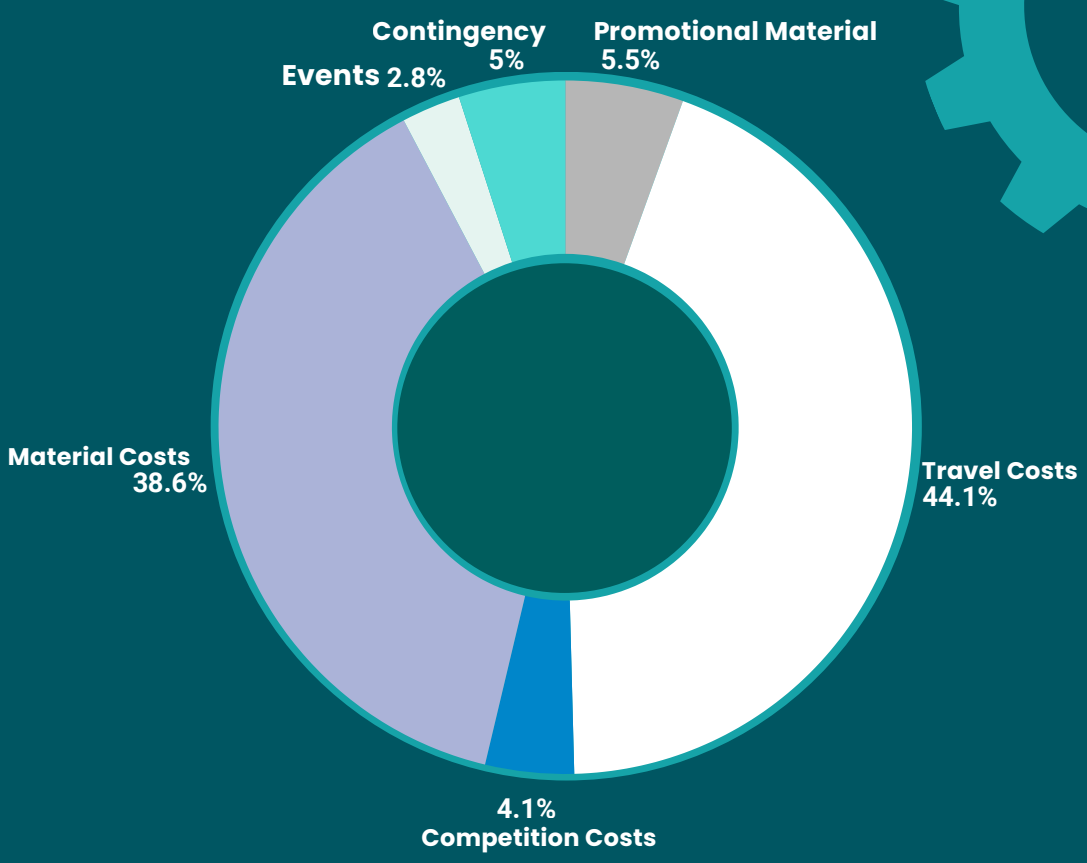
02 ***PROMOTE*** your brand to a large and growing audience in academia, technology, and aerospace

03 ***CONNECT*** with top student talent in engineering, computer science, and design

04 ***DEMONSTRATE*** commitment to innovation, education, and the future of space exploration

As a sponsor, your organization will be recognized at events, on our rover, on team apparel, and across all media channels.

OUR NEEDS



Cost Breakdown	Budget
Travel Costs	$8,000
Materials Costs	$7,000
Promotional Material	$1000
Competition Costs	$750
Events	$500
Contingency	$900
	TOTAL: $18,150

To achieve our goals and remain competitive at the CIRC, we rely on the generous support of sponsors.

Funds and resources go towards:

- Custom-fabricated mechanical parts
- Electrical components and sensors
- Advanced computing hardware and software
- Travel and logistics for competition
- Team uniforms and safety equipment

SPONSOR TIERS

We offer several sponsorship tiers, each with increasing benefits and visibility:

Sponsor Tier	Platinum $3000+	Gold $2000+	Silver $1000+	Bronze $500+
Access to Database of Team member resumes	✓			
Invitation to Team Events and Presentations	✓	✓		
Logo on Rover and uniforms	✓ Large Logo	✓ Medium Logo	✓ Small Logo	
Recognition in end-of-year report	✓	✓	✓	✓
Feature Post on Social Media	✓	✓	✓	✓
Bimonthly Team-Update Newsletter	✓	✓	✓	✓
Recognition and logo on Website	✓ Large Size	✓ Medium Size	✓ Medium Size	✓ Small Size

In-Kind Contributions

We also accept in-kind donations of parts, services, or software licenses. Recognition and tier placement will be based on the equivalent monetary value.

HOW TO SPONSOR US?

To support our team, please contact us at:

Email: outreach@okanaganrovercraft.ca

Linkedin: in/okanagan-rover-craft/

Location: 3272 University Way, UNC 133
Kelowna, V1V 1V7

We accept sponsorships via cash, cheque, bank transfer, or university fund transfer. We're happy to work with your organization to customize a partnership that fits your goals.

Let's Build the Next Generation STEM Students - Together

Thank you for considering sponsoring Okanagan Rover Craft. With your support, we'll continue to advance student innovation and contribute to the future of robotics and automation.
